

Nibbler::createSnake

```
graph LR; A[Nibbler::createSnake] --> B[Nibbler::Nibbler]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text "Nibbler::createSnake". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "Nibbler::Nibbler". Both boxes have a black border.

Nibbler::Nibbler
